Janine Yorio 6:37 PM

i never give faint praise

ENTJ remember?

Gatsby 6:39 PM

Haha yes yes

Watching you is interesting...it's like getting a preview of my future

Going to have to get your thoughts on balancing children

I don't have any right now, but always wondered how I'd do it all

Janine Yorio 6:40 PM

are you married?

my children are kinda neglected. for example, tonight is halloween. I'm not with

them.

Gatsby 6:41 PM

Nope, not married, right now

But been exploring

Janine Yorio 6:42 PM

good take your time

Gatsby 6:42 PM

Ah, yes...I guess it is Halloween...how far do you live from the city. I was a bit confused when you mentioned being in a hotel

6:42

I figured you were much closer

Janine Yorio 6:43 PM

it's a long story

6:43

i bought a farm during the pandemic

6:43

it's about 2.5 hours from the city

6:43

i have an apartment in the city but i rented it out

6:43

for the pandemic

6:43

so when i come here i stay in a hotel

6:43

it's kind of a mess...

6:43

the pandemic complicated everything

6:43

but it's fine

6:43

the team is fully remote so it doesn't matter that much

6:43

i just come to NYC fo rmeetings (and bc I love it)

Gatsby 6:43 PM

Ah ok, yeah...makes sense.

6:44

Which neighborhood in the city is the apartment in?

and out and the testing required. Let's talk about it on Monday. I have to read into the rules again.

Janine Yorio 1:40 PM
ok great!

maybe they have updated them

1:40

i would really like to meet you

1:40

Gatsby 1:42 PM
same here....I'd like to get in front of you, for sure. We will make something happen.

Janine Yorio 1:42 PM
great!

i don't want you to feel left out

1:43

when i was at republic, they would always talk about my projects without me in the room

1:43

and i told everybody that NFW i'm going to let that happen to gatsby

1:43

he has to be center of the lobby universe

1:43

like the nucleus!

Friday, February 4th

Gatsby 8:50 PM
I'm not big on celebrations, because I do believe:

1. You have to act like you've been there before
 2. You don't celebrate till the deed is done (Billion Dollar exit, 100 Million users, etc)
- But I do want to congratulate you on getting the wire and bringing the money in. I know a lot of us don't see the hard work in the background, but I do know you're doing it and you lead by example...you work hard, so you expect everyone else to do so and that's the way it should be. Thank you for everything.

Janine Yorio 8:51 PM
Equity for you!!!

8:51

It's coming.

Gatsby 8:52 PM

LoL thank you...I'm here for the ride.

Janine Yorio 8:53 PM
Yay!

Gatsby 8:53 PM
And I appreciate the opportunity you've given me

Janine Yorio 8:53 PM
And I hate celebrations

8:53

That party this week was so awkward

8:53

Could you tell I hated it?

Gatsby 8:53 PM
LoL, yes for sure

Janine Yorio 8:53 PM
ENFJ?

Gatsby 8:53 PM
ENTJ !

8:56

And I'd like to talk to you this weekend or Monday about why I'm in London...I think then you'll have a better understanding of my travel and remote work situation.

Janine Yorio 8:58 PM
Ok call me tomorrow any time

Gatsby 8:58 PM
ok, no problem...I'll send you a ping. I'm flexible tomorrow too.

Janine Yorio 8:58 PM
And it's a privilege and a pleasure to work with you.

8:58

And I mean it.

Gatsby 8:58 PM
likewise!

Saturday, February 5th

Gatsby 4:00 PM
In about 30 minutes I should be free the rest of the night to talk

Janine Yorio 4:53 PM
